

Ram Fam Referral

SPRING IS A TIME FOR GROWTH

PROGRAM DETAILS

1. All current HBHA families may refer a prospective family to the school in exchange for a \$500 tuition discount for the upcoming school year.
2. Prospective families must apply by May 31st, indicating the referring family's name as their referral source on the application.
3. There is no limit to the number of referrals a current family can make, but each family may only receive one discount per academic year through the referral program. Tuition discounts do not apply to fees.

ELIGIBILITY

1. To be eligible for the referral reward, the referring family must be currently enrolled and in good standing with the school.
2. The referred family must be new to the school and must indicate only one current family as their referral source.
3. The referred family must apply to HBHA by May 31st, 2024.

HOW TO PARTICIPATE

1. The referring family should inform the prospective family about the referral program and encourage them to list the referring family's name on their application.
2. Upon submission of the application, the school administration will verify the referral details.
3. If the referral is validated and the referred family meets the eligibility criteria, the referring family will be notified of their \$500 tuition discount for the upcoming school year.
