Hyman Brand
HEBREW ACADEMY

Dear Donor,

Hyman Brand Hebrew Academy proudly celebrates 55 years of educating and developing students to prepare them for fulfilling lives as honorable, contributing citizens. Plans are underway for this year's first-ever Civic Service Award Private Broadcast Production.

Due to the pandemic, last year's Celebration Dinner honoring Tiberius Klausner, of blessed memory, was cancelled for the safety and health of our supporters and community. This year, we follow through by posthumously honoring and awarding this acclaimed violinist, concertmaster and educator. He not only lived a life mirroring the ideals and ethics impressed upon HBHA students, but wove his music through the very soul of our Kansas City community.

As we begin our fundraising efforts, we look to community leaders like you to aid us in raising critical support, not only to allow the singular Jewish day school in our region to flourish, but to provide our community with the next wave of skilled business leaders, heart-led philanthropists and daring entrepreneurs.

The 2021 CSA Private Broadcast Celebration, Sunday, March 21, will feature an entertaining event with multiple opportunities for scholastic support. Join us as we take an important step toward the betterment of our next generation and our community.

We are grateful for your consideration of a generous sponsorship to support the mission of HBHA. Please return the enclosed reply card with your check or reach out to Development Director, Kerry Cosner at kcosner@hbha.edu or 913-327-8156 for assistance.

You will not only make a difference in the lives of HBHA students, but you will deepen the foundation of our community.

Warmest regards,

Pella Fingersh
