Jeff Goldenberg

Head of School

Adam Tilove

Director of Development

Kerry Cosner

Event Producer

EVENTOLOGY LLC
Donna Thomason

Hyman Brand Hebrew Academy proudly announces its 49th **Civic Service Award Celebration, honoring community leader Alan Edelman** on **Sunday, January 22**, at the Westin Crown Center Hotel. The event will highlight, not only the contributions Alan has provided our school, but equally, how he has impacted our community and beyond.

Alan and HBHA are aligned in their thinking that students should be educated as part of a diverse community, united through shared tradition and culture. Both the Edelman family and HBHA understand that a **Family United** equips our children with stability and care, that allows for extraordinary growth and education.

As we unite together, let's harness our strength behind HBHA's mission to cultivate a generation of pro-active and ethical students who will have a positive impact on their communities, and our entire world.

Now in its 56th year, HBHA looks to community leaders like you to aid us in raising critical support that allows the only Jewish day school in the Greater Kansas City area to flourish, developing our next wave of skilled business leaders, heart-led philanthropists and daring entrepreneurs.

Your sponsorship will create funds for programming and financial aid that exceeds the monies brought in by tuition. As a sponsor, you will be an integral part of creating the next generation of community leaders – and a **Family United!**

Please return the enclosed reply form with your check to 'CSA Celebration' or use your credit card online at hbha.edu. Contact Development Director, Kerry Cosner at kcosner@hbha.edu or 913-327-8156 for assistance.

With our sincerest gratitude,

Hyman Brand
